How to set the languages??

Step 1: Login to <http://course.pku.edu.cn/>

The login form is located on the top left of the website. It features a 'Username' label above a text input field containing the placeholder text '请用北大统一账号登录'. To the right of this field is a 'Login' button. Below the username field is a 'Password' label above another text input field. To the right of the password field is a '登录' (Login) button and a '访客登录' (Guest Login) link.

Step 2: Click “个人信息”

Step 3: Click “ 更改个人设置”

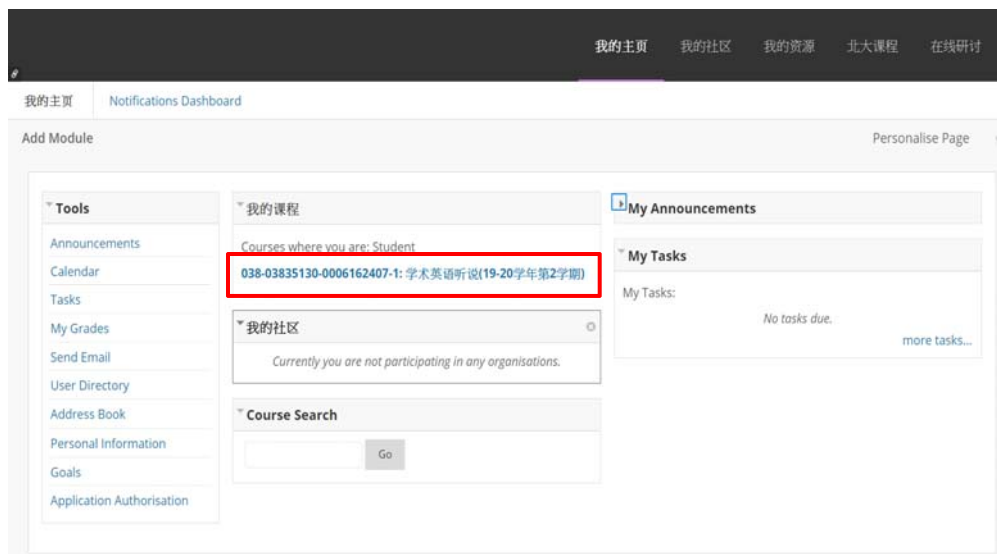

Step 4: Select the language pack you need, and submit

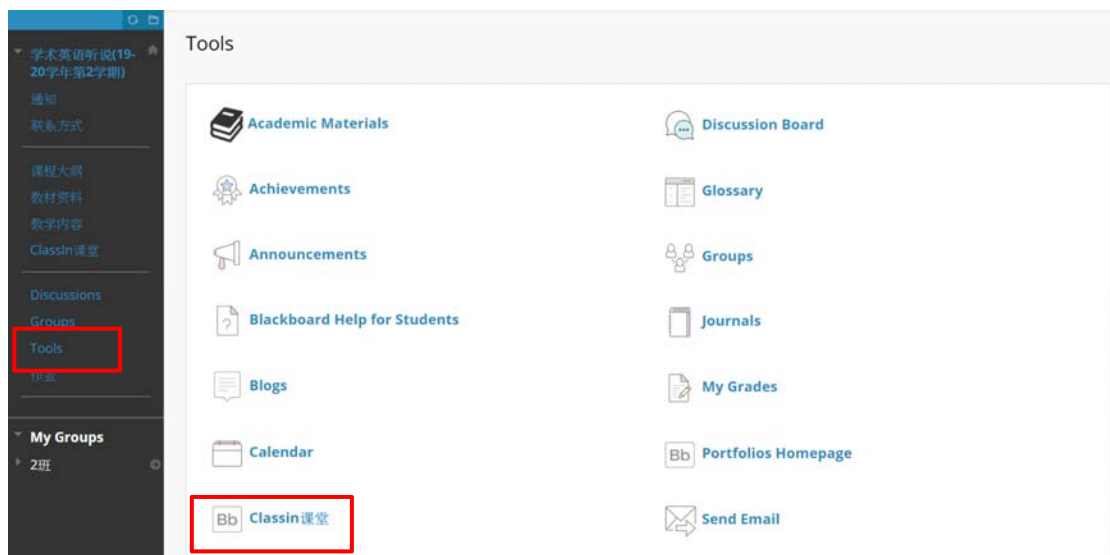

2.2 Choose my courses

After logging in to your account, you can check and choose your courses.

2.3 Enter “Classin 课堂”

Click “Tools” button on the left. → Click “Classin 课堂” (or “在线课堂” on teaching interface)

2.4 Register and bind your account

Bind your account with your cellphone number. Your Student ID will be your Classin ID (cellphone number is required only for the first use).

- 1) If you don't have a Classin account, click “保存手机号” and your cellphone will receive the initial password. Then your Classin account will be created.

2) If you already have a Classin account registered with your cellphone number, just click “保存手机号” .

*For international mobile users, please enter your mobile number in the format as: 00 country code-cellphone number, i.e.: 0086-12345678.

The screenshot shows the 'Classin课堂' (Classin Classroom) registration page. On the left is a sidebar menu with options like '学术英语听说(19-20学年第2学期)', '通知', '联系方式', '课程大纲', '教材资料', '教学内容', 'Classin课堂', 'Discussions', 'Groups', 'Tools', '作业', and 'My Groups'. The main content area has a header 'Classin课堂' and a form titled '请输入手机号:' (Please enter mobile number:). The form has two input fields: '请输入手机号:' and '请确认手机号:' (Please confirm mobile number:), followed by a '保存手机号' (Save mobile number) button. Three red arrows point to the form with the following instructions: '1. Enter a valid phone number.' (pointing to the first input field), '2. Re-enter it.' (pointing to the second input field), and '3. Save it.' (pointing to the '保存手机号' button).

After registration and account binding, you can move on to the next step.

The screenshot shows the 'Classin课堂' page after registration. The sidebar menu is the same. The main content area has a header 'Classin课堂' and a blue bar with two buttons: '更新手机号' (Update mobile number) and '解绑手机号' (Unbind mobile number). Red arrows point to these buttons with the following instructions: 'Click here to update cellphone number.' (pointing to '更新手机号') and 'Click here to unbind cellphone number.' (pointing to '解绑手机号'). Below the buttons, there is text: '已安装Classin客户端-点击此处进行下一步' (Already installed Classin client - click here to proceed to the next step) and '未安装Classin客户端-点击此处下载和安装' (Not installed Classin client - click here to download and install).

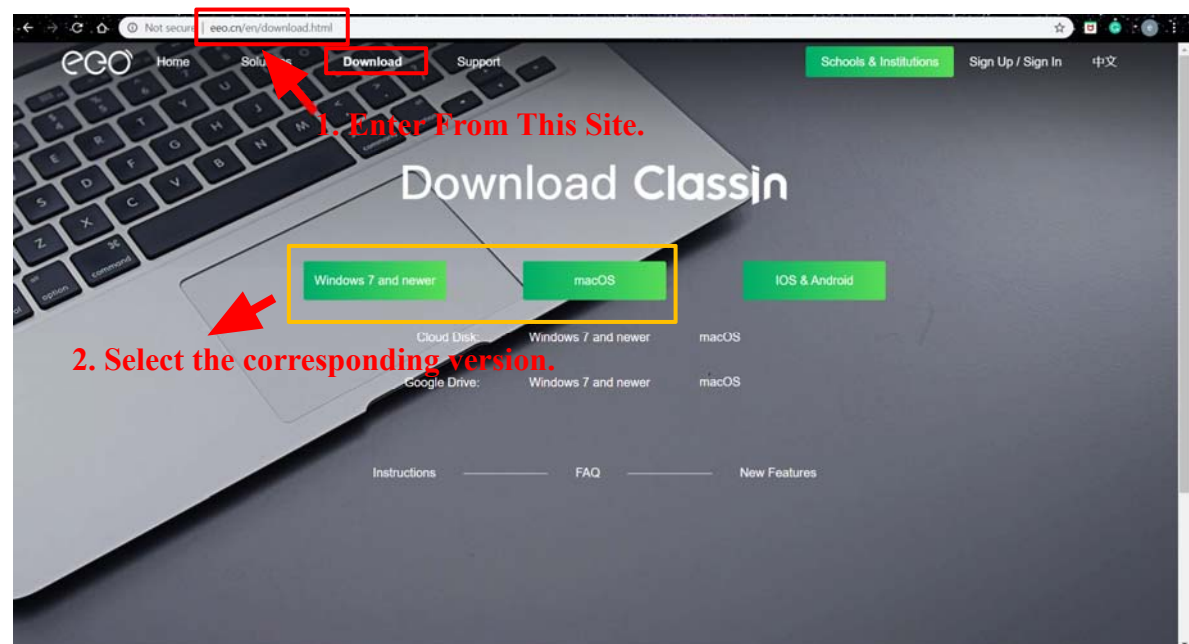

To unbind cellphone number: If you have miswritten your cellphone number when binding your account, please click “解绑手机号” and delete the number.

To update cellphone number: If you want to change the cellphone number bound to the account, please click “更新手机号” .

2.5 Install Classin (For new users)

2.5.1 Not Installed

If you don't have the Classin app, please click “点击此处下载和安装” (download, install and log in)

PC: - Win7, Win8, Win10 users please choose “Windows 7 and newer” version

- MacOS users please choose “Mac OS” version

* Dual System users please choose the corresponding version

IOS & Android: - IOS users please search “classin” in Apple App Store

- Huawei/Mi/Vivo/Oppo users please search “classin” in the app store

- Other Android users please use the browser on your cellphone to open the following link:

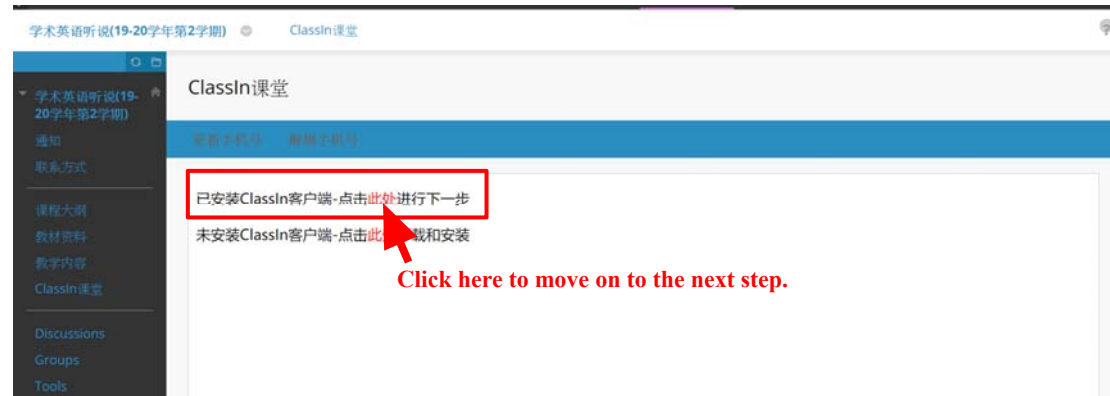

https://m.eeo.cn/download_android.html

1. Click the installation package to choose your language

2. Then click “Quick Installation”
3. Click “Start to study” after installation

2.5.2 After Installation

If you already have Classin app, please click “此处” and move on to the next step.

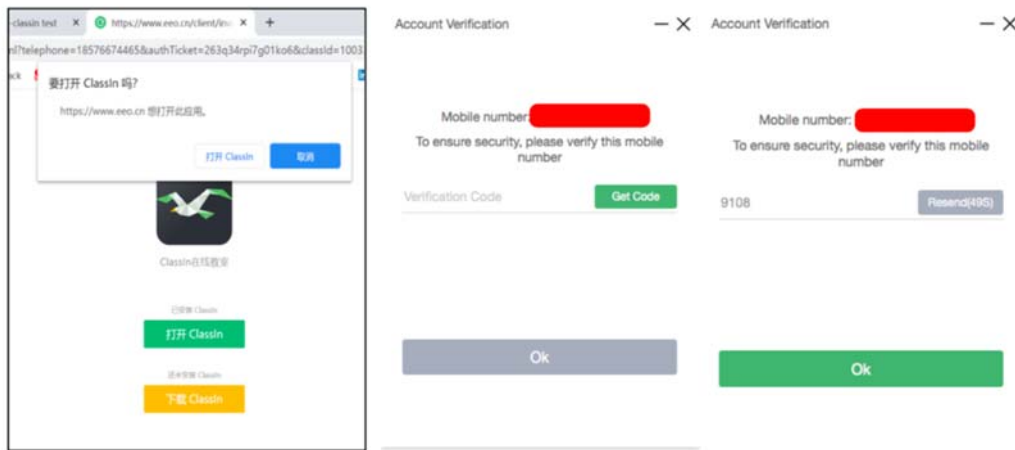

2.6 Enter Classin classroom

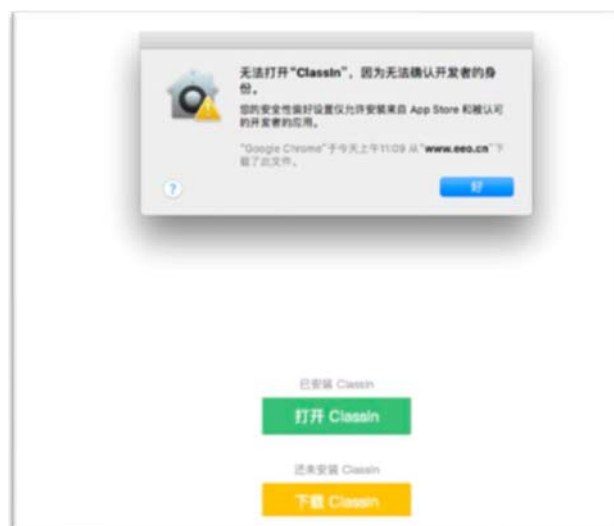

If your teacher has already created a classroom online, please click “进入 classin 教室”. Your browser will automatically jump to the right page.

Click and open Classin (SMS verification is needed when you are logging in for the first time), then enter the cellphone number you have bound to the account.

If you're using a Mac, it might have the following notification:

Solution:

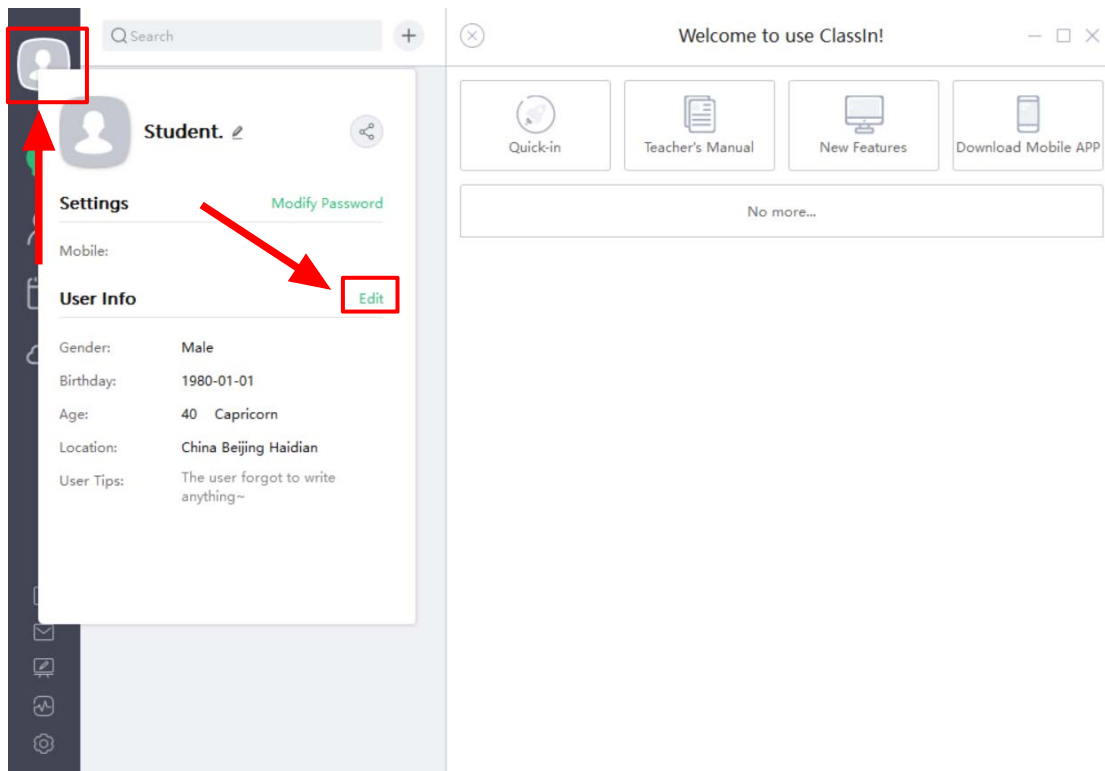

2.7 Having online courses on Classin

To set your personal information, including your name and profile photo:

Please click the photo icon on the top left corner on the IM interface. Then click

“Edit” .

The user interface of online courses: teachers and students on the platform show up on the top, and teachers can invite students to the platform and have an interaction.

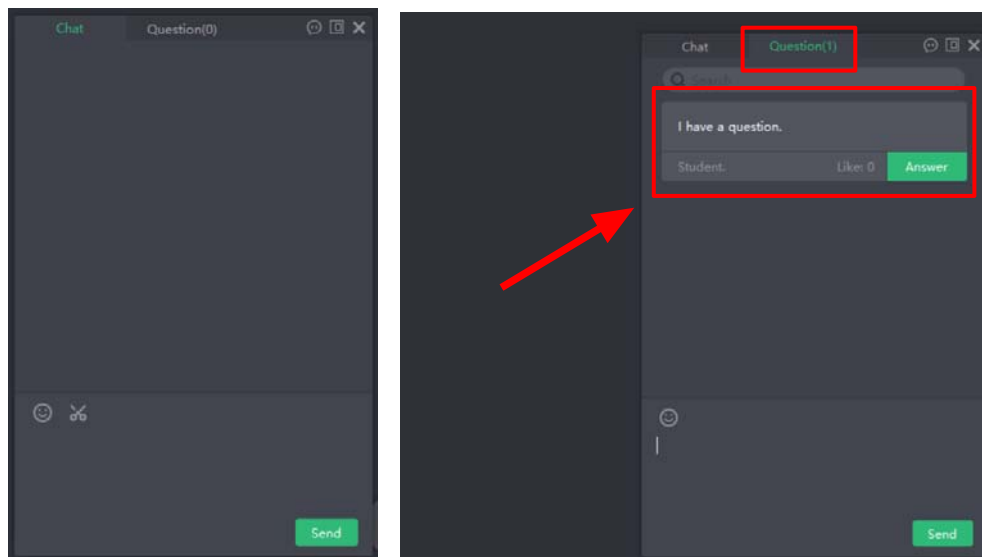

Chat tab & Question tab:

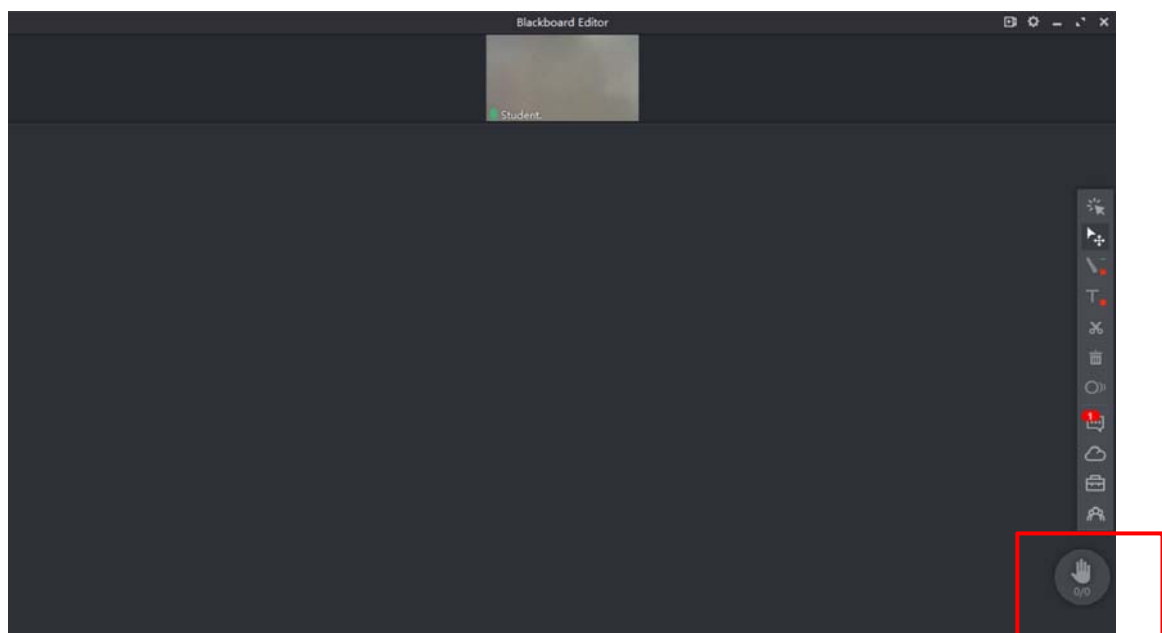

Students can communicate with teachers and other students in the Chat tab.

Students can ask questions in the Question tab. If teachers click the “answer” button,

the questions will be displayed on the blackboard which are visible for all the students in the classroom.

Raising hand: If the students want to speak or participate in class discussions, please click the “Raising hand” button.

3. Playback of courses

Please login ClassIn with your mobile no. and password and find the course name you join. Click Course – the playback button to review the course.
